Museums Wellington comprises four of Wellington's leading attractions. As a *Friend of Museums Wellington*, you will be able to enjoy discounts and benefits at the following institutions:

### Wellington Museum

Named as one of the top 50 Museums in the world by *The Times of London*, Wellington Museum is housed in the historic Bond Store and shares the stories of the Wellington region, Te Ūpoko o Te Ika a Māui (the head of the fish of Māui). Experience Wellington's heritage with the Museum's imaginative exhibitions and dynamic programmes.

### Nairn Street Cottage

Step back in time to experience what life was like in colonial Wellington at Nairn Street Cottage. Home to three generations of the pioneering Wallis family, this is the oldest original cottage in Wellington complete with heritage garden and resident chickens.

### Cable Car Museum

Situated in the Botanic Gardens within the original Winding House, the award-winning Cable Car Museum brings the story of Wellington's iconic transport system to life. It is home to two of the original grip cars and the historic winding machinery once used to transport people between the harbour and the hills.

### Space Place at Carter Observatory

Explore the southern skies at Wellington's only astronomical observatory. Journey through space in the state-of-the-art planetarium or spend an evening stargazing through some of the finest telescopes in New Zealand. Space Place's interactive multimedia exhibitions share astronomical experiences from a uniquely New Zealand perspective.
